

Studies have shown that the better children can hear, the more they are able to learn (Ross, 1995).

The NADY WA-120 wireless sound system has been developed to provide educators with an effective tool to enhance the learning environment.

Sound Education can not only provide you with the WA-120 wireless sound system, but also assist you in maximizing its potential.

Features of the WA-120

- Hands free operation with the use of lavalier microphone (included).
- Total portability in placement of receiver/speaker unit.
- Choice between battery operation or standard electrical plug-in capability.
- Additional hand-held microphone for student use (included).
- Optional headset microphone available.
- Handy carrying case increases portability.

The NADY WA-120 Wireless Sound System

- 8.7” (W) x 5.7” (D) x 10.6” (H)
- Weighs only 8.8 lbs.
- Powerful 20 W audio output.
- Volume, Treble and Bass control.
- Auxiliary input and output plugs.
- Multiple frequencies available, allowing for multiple systems to be used in the same location.

The NADY WA-120 portable wireless sound system is useful for other school applications as well:

Drama teachers love these systems. Outfit each drama student on stage with either the standard lapel or optional headset microphone for hands-free operation. Set up multiple receiver units in the back of the auditorium

Physical Education teachers like the portability of the NADY WA-120 wireless sound system. They are great for sporting events, or any application that takes you outdoors.

These units are durable. They come with a 3-year guarantee on parts and labor. With a replacement time of 5-7 working days, you'll be back in service in no time.

What studies and educators have to say:

“The...system helps all of the students some of the time, and some of the students all of the time.” (Ross, 1995)

“...research has shown that...amplification is an effective way to produce significant change in...listening behaviors and academic achievement.” (Sarff, 1981, Flexer, 1989, et al)

“I still have my voice at the end of the day, and I'm much less fatigued.” (Oregon Educator)

“Really gets the kids attention. It's brought order back to the library.” (Oregon Educator)
